Job Description Internship

Create a community free from abuse in San Jose, Philippines

Background Let's Care Foundation

Let's Care Foundation is committed to creating a more beautiful world by carrying out social projects in the Philippines. We run a rehabilitation program for abused girls, an After Care programa and a province wide adovcay campaign Prevention of Childabuse. To make this happen, we work closely with various local authorities and organizations. We are working towards financial independence in order to secure the sustainability and future for our various projects.

Internship in San Jose de Buenavista

We have been asked by the Provincial office of Department of Social Welfare and Development (PSWD) to help with improving the field of social work and justice for children in difficult circumstances. DSWD is concerned with everything related to social work and development. The specific assignment is to research how we can create a community free from abuse and where children's rights are respected. The municipal mayor is prioritizing these matters and together with the police force and Let's Care foundation partnering to improve the legal justice for the victims of abuse.

Activities and research

You can address the following questions during your internship:

- What is the current situation regarding children in difficult circumstances?
- What is the difference between boys and girls?
- What are the factors contributing to this problem (family, income, community, child an character)?
- What are the current measurements and policies implemented to combat this problem?
- Is the current policy and law sufficient to reinforce this?
- What stakeholders can be identified
- How should this be improved/implemented?

Supervision

The head of the PSWD will be the appointed person you are reporting to in the DSWD office. She should also provide you guidance during your internship. A project coordinator will also supervise the interns during their stay.
